Dear Friend of the Arts,

The Art Studio Inc. is planning its biggest celebration of the year, and now is the time for you to help us make it even more unforgettable!

TASI seeks art-loving sponsors to underwrite our signature fundraising event, the notorious Beaux Arts Ball, planned for January 18, 2025. All contributions from the event support TASI's operations, facilities, and programs in the coming year, making a significant impact on the Southeast Texas arts community. Your tax-deductible contribution ensures TASI's financial health and stability as it continues to champion the arts in Southeast Texas. Our all-star planning committee and Board of Directors are also seeking in-kind contributions of beverages and heavy hors d'oeuvres for the event, with an expectation of 80 - 100 attendees this year. Mark your calendars and make plans to have the time of your life at the Beaux Arts Ball!

Since its founding as a non-profit corporation in 1983, The Art Studio has filled a unique niche in the Southeast Texas arts community - providing affordable studio space for artists, educational programs for kids and adults, and free exhibitions where anyone can engage with art and artists. Each year, a successful Beaux Arts Ball allows us to continue vital programs such as Thoughtcrime, a live poetry group, Calliope's Circle, an open creative writing workshop, and the long-running, all-ages, live music showcase, Band Nite. In addition to programming that uplifts and supports artists' livelihoods, we strive to be more inclusive for people with special needs and to promote mental wellness. Our unique programs and events enrich so many lives, and contributions from the community and valuable supporters like you help us break down barriers standing in the way of individuals fully participating in a vibrant culture of the arts.

We are truly grateful for your consideration in helping us make the 2025 Beaux Arts Ball another successful fundraising event. Your support is instrumental in furthering the mission of The Art Studio Inc. in Southeast Texas. We look forward to the possibility of you joining us in this effort. Thank you!
